

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

February 21, 1913

in like manner the name, age, sex, color, occupation, and last address of every person who is in his care or who has come under his observation within one week of such time who, in his opinion, is afflicted with pulmonary or other communicable form of tuberculosis or with typhoid fever.

SEC. 2. That the health officer of said city shall cause all cases showing the presence of tubercle bacilli to be recorded in a register of which he shall be the custodian, which register shall not be open to inspection by anyone except the health officer and deputy health officer of said city, and neither said health officer nor said deputy health officer shall permit any such record to be divulged in such manner as to disclose the identity of the person to whom it relates except as it may be necessary in carrying out the provisions of this ordinance.

SEC. 3. That in case of death from pulmonary or other communicable form of tuberculosis, or the removal from any apartment or premises of a person or persons so afflicted, it shall be the duty of the attending physician, if he has such knowledge, or, if there be no such physician or if such physician be absent, of the occupant or other person in charge of said apartment or premises to notify the health department in writing of such death or removal within 24 hours.

SEC. 4. Every person so afflicted with tuberculosis, and every person in attendance upon anyone afflicted therewith, and the authorities of public and private institutions or dispensaries in said city must observe and enforce all sanitary rules and regulations of the health department of the city of Des Moines for preventing the spread of the disease.

SEC. 5. That upon the recovery of any person who has been found to be suffering from tuberculosis or typhoid, a report to that effect to the health department made by the attending physician, shall be recorded in the register aforesaid, and shall relieve said person from further liability to any requirements imposed by this ordinance.

SEC. 6. Upon the termination or recovery or within three days thereafter of any case of tuberculosis or typhoid fever, the owner or person in charge where such disease existed shall cause said premises to be thoroughly fumigated under the direction of the health department, and any such premises shall not be rented, leased or sold, or occupied with the knowledge of the said owner or agent until said fumigation shall have been completed.

SEC. 7. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined not less than \$5 nor more than \$100 and stand committed for a period of not less than one day nor more than 30 days in the city jail.

SEC. 8. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

SEC. 9. This ordinance shall be in full force and effect from and after its passage and publication as required by law.

#### LOS ANGELES, CAL.

#### **Vicious and Dangerous Animals (Ordinance Adopted May 1, 1912).**

SEC. 38. It shall be unlawful for any person, firm, or corporation owning or having charge, custody, control, or possession of any vicious dog or other vicious or dangerous animal to permit or allow the same to go free or unrestrained in, along, or upon any public street or other public place.
